RE: FOIA request for the most recent 9822's for the 558 sample properties referenced in the report entitled Multifamily Portfolio Reengineering (MPR), Ernst & Young LLP (E&Y), Market Survey, April 1996, dated May 2, 1996

Dear Ms. Magruder:

Please consider this a formal request under the Freedom of Information Act for copies of the most recent 9822's, either completed by HUD or their physical inspection contractors, for the 558 properties Ernst & Young used to create their statistical sample for the above-referenced report.

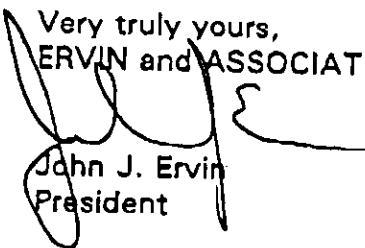

To assist you in this endeavor, enclosed is a list of the initial 500 properties which were to be used for this sample. Please also include copies of the other (approximately 58) properties' 9822s as well. If some properties on the enclosed list of 500 were not included in the sample, please indicate why they were excluded.

Also enclosed to assist you is a list of HUD's physical inspection contractors who should have copies of many of these reports.

To the extent all information is not readily available, please do not delay a partial response until all information is collected to submit it to us. Instead, send us partial information as it is obtained.

Ervin and Associates agrees to pay all applicable fees associated with preparing the response to our request, and we understand that HUD will inform us of the amount owed once it is determined. If you should have any questions, or need any further information, please do not hesitate to call me directly at (301) 469-3410.

Very truly yours,
